

Free With

PayMin Solutions

Your All-in-One FREE* Donor Management Software That Actually Makes Your Organization Money Month Over Month!

FREE* with PayMin Solutions:

Donations - Both In-Person and Online

Make giving easy with our in-person terminal and customizable online forms. Facilitate seamless donations from anywhere.

Same Day or Next Day Funding

Have your donations deposited the next day for free, or the same day for a small fee. After all, it is YOUR money!

Zero Processing Fees

The donor covers the fees by choosing to pay a tiny bit more or to donate a tiny bit less. Either way, you keep 100% of your donations!

Make 5% Back Every Month

We pay YOU 5%** back every month from all processing fees paid!

Text Giving

Texts are read within 2 to 4 minutes by the average person. Accept donations via text, increasing engagement and donations.

Donor Management Software

Keep track of donations, communication, and donor preferences in one place.

eCommerce

Open an online store for your non-profit. Sell merchandise, event tickets, and more to support your cause.

Additional Add-on Features:

Peer to Peer Campaigns

Empower your community to fundraise for you. Harness the power of social networks to amplify your fundraising efforts.

Mobile App

Keep your donors up to date with all your events and fundraisers, helping to stay connected and engaged with your organization.

Auctions

Invite your donors to bid on unique items and experiences, boosting your fundraising potential with exciting auctions.
